SUMMARY

A dedicated and enthusiastic MCA student with a strong interest in software development and technology. Possess a solid foundation in programming, databases, and computer applications. Quick to learn, adaptable, and eager to apply knowledge in practical environments. Committed to building a successful career in the IT industry.

EDUCATION

MCA

2024-2026

Maharaja Institute of Technology, Mysore 8.03 CGPA

B.Sc (Computer Science & Mathematics)

2021-2024

JSS College For Women, Mysore 8.4 CGPA

II PUC

2019-2021

Vivekananda P.U College, Kushalnagar Percentage: 86

SSLC

2018-19

St' Mary's English Medium School, Suntikoppa Percentage: 77

SKILLS

- **Programming:** Python, HTML, CSS, SQL
- **Soft Skills:** Communication Skill, Time Management, Adaptability, Teamwork and Collaboration
- **Languages:** English, Kannada

PROJECTS

1. Digital Suggestion Box for Campus Improvements

Technology Used: PHP, MySQL, HTML, CSS

Created with formatmagic.ai - One click automated formatting

Developed a web-based platform that allows students to submit suggestions for improving campus facilities and services. The system includes user and admin login, suggestion tracking, and role-based dashboards. Data is stored in a MySQL database, and the interface is designed for ease of use and responsiveness.

2. Fake Job Post Detection using Machine Learning

Technology Used: Python, Pandas, Scikit-learn, VS code

Implemented a machine learning model to detect fraudulent job postings using a dataset from Kaggle. The project involved data preprocessing, feature extraction, model training, and evaluation using classification algorithms. The system aims to improve job seeker safety by flagging suspicious job listings.

CERTIFICATIONS

- Soft Skill development course at “NPTEL”
- Python course completion certificate by Geeks for geeks.
- “Ethnotech” Certificate on Microsoft Azure AI

Created with formatmagic.ai - One click automated formatting
